

**Combination Wind Speed and Direction Smart Sensor for use with HOBO weather stations.**

*Now replaced by the:*

*S-WSA-M003 Wind Speed Sensor and S-WDA-M003 Wind Direction Sensor (S-WSET-M003 offers both sensors against a single order code)*

HOBO® Data Logger

## S-WCA-M003 Wind Speed/Direction Smart Sensor

The combination S-WCA-M003 Wind Speed and Direction Smart Sensor provided average wind speed, and average wind direction in a single unit but has now been replaced by two individual products offering greater accuracy and reliability.

See our website, or Tempcon Datasheets for information on:

S-WSA-M003 Wind Speed Smart Sensor

S-WDA-M003 Wind Direction Smart Sensor
