

S-CIA-CM14 12-Bit 4-20 mA Adaptor

Product Images

Short Description

The 12-Bit 4 to 20 mA Input Adaptor interfaces with any sensor providing and provides a 4 -20 mA signal to HOBO Smart Sensor data loggers.

Part No:
S-CIA-CM14

Description

The 12-Bit 4 to 20 mA Input Adaptor interfaces with any sensor providing and provides a 4 -20 mA signal to HOBO Smart Sensor data loggers.

Part No:
S-CIA-CM14

Additional Information

Brand	HOBO
Typical Application	Current Output: 4-20mA
Measurements	4-20mA
Compatible With	U30, H21, H22
