Dickson WT630 WiZARD2 Ethernet Vaccine Temperature Data Logger

Product Images

Short Description

Place these data loggers throughout your facility and receive all data automatically at your PC. No retrieving data from loggers, no hard wiring loggers back to your PC. This is the easiest and most cost-effective way to create a scalable monitoring network.

Description

Place these data loggers throughout your facility and receive all data automatically at your PC. No retrieving data from loggers, no hard wiring loggers back to your PC. This is the easiest and most cost-effective way to create a scalable monitoring network.
